

2028 C&A Europe Sustainability Focus Goals

#wearthechange

Circular Fashion

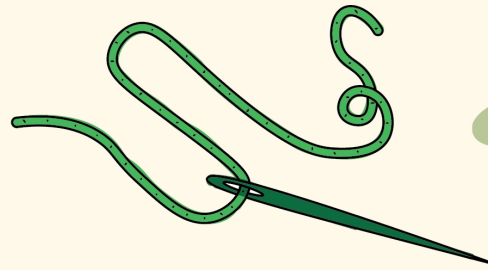

Innovate and connect circularity principles to our business and products and extend the life of 7 out of 10 products in the way they are designed, produced or re-used by 2028

Innovation
Circularity

Sustainable Materials

Act as an industry leader in increasing the use of sustainable materials and source 100% of our core materials more sustainably by 2028

Organic Cotton

Eliminate Plastic Pollution

Pursue the elimination of plastic pollution and replace 50% of the single use plastics in our stores, online shop and supply chain with sustainable alternatives by 2028

make, use, re-use
