Jingle Bells

Dashing through the snow – In a one-horse open sleigh – Through the fields we go – Laughing all the way. Bells on bob-tail ring – Making spirits bright – What fun it is to ride and sing – A sleighing song tonight.

Jingle bells, jingle bells – Jingle all the way, Oh what fun it is to ride – In a one-horse open sleigh, O – Jingle bells, jingle bells – Jingle all the way, Oh what fun it is to ride – In a one-horse open sleigh.

A day or two ago – I thought I'd take a ride – And soon Miss Fanny Bright – Was seated by my side; The horse was lean and lank – Misfortune seemed his lot, We ran into a drifted bank – And there we got upsot.

A day or two ago – The story I must tell – I went out on the snow – And on my back I fell; A gent was riding by – In a one-horse open sleigh – He laughed at me as – I there sprawling laid – But quickly drove away.

Now the ground is white, Go it while you're young, Take the girls along – And sing this sleighing song. Just bet a bob-tailed bay, Two-forty as his speed, Hitch him to an open sleigh – And crack! You'll take the lead.

Do they know it's Christmas?

It's Christmas time, and there's no need to be afraid – At Christmas time, we let in light and banish shade – And in our world of plenty, we can spread a smile of joy – Throw your arms around the world – At Christmas time.

But say a prayer and pray for the other ones – At Christmas time, it's hard but while you're having fun – There's a world outside your window, and it's a world of dread and fear – Where a kiss of love can kill you, and there's death in every tear – And the Christmas bells that ring there are the clanging chimes of doom – Well tonight we're reaching out and touching you.

Bring peace and joy this Christmas to West Africa – A song of hope where there's no hope tonight, ooh – Why is coming first deadly feared? Why is to

Let it Snow

Oh the weather outside is frightful – But the fire is so delightful, And since we've no place to go, Let it snow! Let it snow! Let it snow!

It doesn't show signs of stopping – And I brought some corn for popping, The lights are turned way down low, Let it snow! Let it snow!

When we finally kiss goodnight, How I'll hate going out in the storm! But if you'll really hold me tight, All the way home I'll be warm.

The fire is slowly dying – And my dear we're still goodbyeing, But as long as you love me so, Let it snow! Let it snow! Let it snow!

When we finally kiss goodnight, How I'll hate going out in the storm! But if you'll really grab me tight, All the way home I'll be warm.

The fire is slowly dying – And my dear we're still goodbyeing, But as long as you love me so, Let it snow! Let it snow! Let it snow!

touch to be scared? How can they know it's Christmas time at all?

Here's to you – Raise a glass to everyone – Here's to them – And all their years to come – Can they know it's Christmas time at all?

Feed the world, let them know it's Christmas time again – Feed the world, let them know it's Christmas time again – Heal the world, let them know it's Christmas time again – Feed the world, let them know it's Christmas time again – Heal the world, let them know it's Christmas time again – Feed the world, let them know it's Christmas time again – Heal the world, let them know it's Christmas time again – Feed the world, let them know it's Christmas time again – Heal the world, let them know it's Christmas time again – Heal the world.
